

Shipping IC orders

Steps in Shipping an IC Order

1. Open Shipping Confirmation

- Navigate to the **Shipping Confirmation** section.
 - Select the **IC Order** that is ready for shipping.
-

2. Review the Order

- Click on **Review** to open the shipping details screen.
 - Verify the order information (warehouse, product, quantity, etc.).
-

3. Enter Shipping Details

- Provide the required fields:
 - **Shipping Carrier**
 - **Mode of Transportation.**
 - **AWB Number.**
-

4. Save and confirm

- After entering the shipping details, click **Save**.
-

The order will be completed only after the product is received at the destination warehouse.
